

STUDENT PLACEMENT POLICY

We recognise the quality and variety of work which goes on in a Nursery and it makes an ideal place for students on placement. Students are welcomed on the following conditions:

- The needs of the children are paramount. Students will not be admitted in numbers which hinder the essential work of the Nursery.
- Students must be confirmed by their tutor as being engaged in a bona-fide childcare course providing background understanding of children's development and activities
- Students required to conduct child studies will obtain written permission from the parents of the child to be studied.
- Any information gathered by the students about the children's families or other adults in the Nursery must remain confidential.
- Unless registered as fit persons, students will not have unrestricted access to children.
